

**The Annual
Boys and Girls Varsity City Cup Game
Cheverus vs Portland/Deering**

Dear PMSHA Supporter,

Thank you for giving this your attention.

The **Portland Middle School Hockey Association (PMSHA)** is a pay-to-play program. Funding for ice time, equipment, referees, and coaches is only made possible through tuition and fundraising-*nothing is funded through Portland's school athletic budget*. PMSHA is the primary feed for the high school programs in Portland. Each year 90% of the middle school athletes go on to play for a high school team.

With the support of the PMSHA parents and board, and the very generous support of the Portland and Cheverus Athletic Directors, we are proud to announce the 8th annual boys and girls City Cup. Your advertisement will be featured in this year's program. Please consider an advertisement supporting the PMSHA program.
